

LOOK GREAT and Help Your Class Too!

Get your teeth whitened at Dental Associates of Connecticut at the special Prom Rate of only \$15.00 (normally a \$474 value) and we'll donate the entire \$15.00 amount to help make your post prom party even more special. Tell your friends because the more whitenings we provide, the more money we'll donate. Let us know which school you are from when you call to make your appointment and receive a custom take home whitening tray after your visit.
